SUBJECT: Nebraska WeSave Employee Discount Program

I am pleased to announce that all State of Nebraska Employees can begin registering for the Nebraska WeSave program. The Nebraska WeSave program is a free employee discount program that is scheduled to launch in March 2010. Along with many national and online vendors, WeSave also collaborates with local Nebraska vendors to provide discounts to a variety of services and products.

To register for the Nebraska WeSave program please visit the following website [http://www.wesave.com/ne\\_splash/](http://www.wesave.com/ne_splash/) and click on "**Become a WeSave Member...**" located in the center of the screen.

To assist you in the registration process a step by step guide is also attached to this email.

After signing up for your WeSave membership, a verification email will be sent to the email address you have provided. In order to complete the activation process, please remember to open this email and follow the quick step to verify your registration and activate your account.

All employees who activate their Nebraska WeSave membership by Friday, January 22<sup>nd</sup>, will be automatically entered to win a 37 inch Panasonic LCD television provided by WeSave.

**This is your employee discount program and your vendor suggestions will help make it better.**

After activating your Nebraska WeSave membership, you are encouraged to recommend local vendors that you would like to see be part of the program. You may suggest a vendor by logging on to the Nebraska WeSave website at [www.wesave.com](http://www.wesave.com) and either selecting the "Help Us Help You" link and completing the recommendation form, or by selecting the "Request a Merchant" link.

The "Request a Merchant" link will allow you to print a merchant request form that you may take to a local business. Provide the business the form and if they elect to enroll in the program, a \$10 donation will be made in your name to the Nebraska State Employees Charitable Giving Campaign.

In the next few weeks, you will be receiving more information about the Nebraska WeSave program. If you have any questions concerning activating your Nebraska WeSave membership, please contact Stacey Dvorak at [stacey.dvorak@nebraska.gov](mailto:stacey.dvorak@nebraska.gov).

**Please forward to all employees.**

**Please note:** Participation in the Employee Discount Program should be done only on personal time.
